REPORT OF NADAM FOUNDATION FOR THE PERIOD OF 2021 TO 2023

Nadam foundation is an NGO which is founded in the year 2010 . The same is registered in Palakkad District of Kerala state in India. Adv. Girish Menon is the founder cum chairman of the organization. The below mentioned persons are the office bearers of foundation

1. CHAIRMAN, K. GIRISH MENON, S/o K. Chandranathan Menon, 'Giriprabha', Panangattiri, Palakkad District, Kerala
2. SECRETARY, Sivakumar S/o Mani, Plot No. 67, Door No.H.34, Mahewari Flats, Thirumalai Nagar, Ist Main road, Chennai, Tamilnadu State, India.
3. JOINT SECRETARY, CHANDRASEKHARAN, S/o C. Arjunan, 10/73, Abhiramam, N.V. Street, Chittur, Palakkad District, Kerala, India
4. TREASURER, Dr. VISWANATHAN, S/o Sivaramakrisnan, Dhanwanthari, Payyalore gramam, Palakkad district, Kerala, India.
5. TRUSTEE, K. CHANDRANATHAN, S/o Ravunni Menon, Giriprabha, Panangattiri, Palakkad, Kerala, India.
6. TRUSTEE, ARCHANA ARAVINDAKSHAN, W/o Girish Menon, Giriprabha, Panangattiri, Palakkad, Kerala, India.

We have completely complied the 10 principles envisaged under the UN GLOBAL COMPACT. There are 67 members and so many volunteers are working in our organization. There are 10 employees are also working. We have mainly focused in the areas of

1. Human rights
2. Labour
3. Environment and
4. Anti-Corruption matters among our stake holders and employees.

The first one is about Human Rights. We have distributed the free copies of UNIVERSAL DECLARATION OF HUMAN RIGHTS in our regional languages. We are creating awareness about the Human rights messages in UDHR among our employees and stake holders . Being a non-business member of UN GLOBAL COMPACT, we used to conduct the Human Rights , seminars in educational institutions, Residential associations and Kudumbasree units (Association of women in state of Kerala, India). We used to conduct the programmes along with Kerala legal services authority and social welfare department of Kerala. Moreover , we are highlighting the duties of the citizens also. Since every right is corresponding with a duty. We have constituted a social welfare committee containing five members. They are experts in different fields. They are handling the issues of women and children. If there is any gross violation of women's rights including sexual harassment, they will step into action and will take appropriate legal remedies.

2. NADAM FOUNDATION through its volunteers are creating awareness about the Human Rights laws among the public by conducting seminars. We used to observe the International Human Rights day on December, 10th elaborately. The next area we are focusing is about the labour among our employees and stake holders. We have arranged sufficient facilities for the employment. We have arranged clean water and adequate sanitation facilities. We have got 10 employees only. Likewise, our employees are enjoying sufficient leisure time and leave also.

3. NADAM FOUNDATION is taking stern actions to prevent corruption within the system. We are very widely observing the International Anti corruption day on December 9th. Corruption is a sort of cancer which is carving the community. So, we are giving proper awareness and training to eradicate this menace which is prevailing in the society. We are conducting many orientation programmes in educational institutions and also within our system. The other objective we mainly emphasize is the protection of environment. Every year June 5th we create awareness about the environmental protection. We have conducted orientation programmes with regard to climate change especially among the students and within our internal system. Every year, while observing the International Environment day we used to plant and distribute trees. Moreover, we are preserving and maintaining the trees which we planted in the previous years. We used to create awareness about the plastic pollution and encourages the use of paper pens with seeds by distributing the same freely. For reducing our pollution our employees are using bicycles for travel to the office. During the time of using the motor vehicles, they are clubbing their journey and using a single motor vehicle for that purpose. We used to clean the ponds nearby and used to conserve the rain water by constructing water sheds and harvesting the rain water. We are also adopting the Japanese way of planting trees (MIYAWAKI) in a shorter extent since it emits more oxygen.

THE ACTIVITIES WE HAVE CONDUCTED DURING 2021 TO 2023

1. We have conducted a big seminar on Treaty on Prohibition of Nuclear Weapons (TPNW) on 23rd January, 2021 in the Govt. Victoria College, Palakkad District, Kerala State, India. On this day the TPNW came into force.
